

September 20, 2019  
10:00am – 12:00pm  
OKI Board Room

## **AGENDA**

**Welcome and Announcements: Andy Meyer, OKI**

**Brief: OKI's Electric Vehicle Charging Station Tool**  
David Shuey, GIS Manager, OKI

**Featured Presentation:**

**Key Redevelopment Projects in Community Downtowns**

Projects that promise to transform a community downtown through the redevelopment of a large vacant property via two examples: the City of Montgomery's Gateway development and Delhi Township's steps to redevelop the Remke Market site on Delhi Pike.

- Tracy Roblero, Assistant City Manager, City of Montgomery
- Greg DeLong, Community Development Director, Delhi Township

**Wrap-up:** Next Meeting

You'll find these and other great presentations and resources on the  
Regional Planning Forum website
